**SUBMISSION OF PREVIOUSLY SUBMITTED
CORRESPONDENCE UNDER 37 CFR §1.8(b)**

Dear Sir:

Applicant hereby resubmits previously mailed correspondence in the above case under 37 CFR §1.8(b). The enclosed correspondence includes a transmittal sheet, an Amendment, a copy of Form PTO-1449, Petition for Extension of Time, Terminal Disclaimer, Change in Entity Status and return postcard. These are the originals of these papers. These originals are being submitted under Rule 8(b) due to the following circumstances:

1. This correspondence was, in the normal course of business, deposited with the United States Postal Service as first class mail in an envelope addressed to Assistant Commissioner for Patents, Washington, D. C. 20231. A copy of that envelope is enclosed.

The proper postage was affixed. This deposit was made on March 15, 1999 to the knowledge of the undersigned in the course of ordinary business of the undersigned's law firm.

2. One week later, on March 22, 1999, this envelope, without any U.S. Postal Service stamps or other markings, appeared in the incoming mail at undersigned's law firm. The mail clerk in the course of her duties in processing the incoming mail noticed that this was apparently mistakenly returned and gave it to the undersigned. Therefore, this envelope and its contents were in fact deposited with the Postal Service on March 15, 1999, and the Postal Service then returned it to undersigned's law firm without any indication as to why.

3. Therefore, it is respectfully requested that this correspondence was timely filed by being mailed in accordance with Rule 8(a), but obviously not received in the Patent and Trademark Office. It is noted that this correspondence were submitted on the last day of the three-month extension period to respond to the outstanding Office Action in this case. Therefore, it appears that this application otherwise went abandoned on March 15, 1999 for failure to respond.

4. The undersigned hereby informs the Patent Office of the previous mailing promptly after becoming aware that the Patent Office did not receive same, due to its return to the undersigned. The original is enclosed.

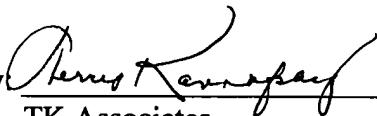

Therefore, it is respectfully submitted that all portions of Rule 8(b) including subportions 1, 2, and 3 have been complied with and it is requested that this correspondence be received by the Patent Office as if timely mailed on March 15, 1999.

If there are any questions, or if this submission of correspondence is not accepted,
please contact the undersigned at (408) 453-9200.

Respectfully submitted,

37 C.F.R. §1.28
CHANGE FROM SMALL ENTITY STATUS
TO LARGE ENTITY STATUS

Dear Sir:

This paper is to notify the U.S. Patent and Trademark Office that the Assignee of the entire interest of the above-cited patent requests a change in the establishment of small entity status of the Assignee with respect to the above-cited patent.

The status of the Assignee at the time of the filing of the above application was established as a small entity. The filing fee payment for the above-cited application was authorized to be charged on November 25, 1997, and without deceptive intent, with the understanding that the Assignee was indeed a small entity.

However, **after** the filing fee was paid, the Assignee determined that small entity status was not appropriate as of the time of filing. Therefore, it is respectfully requested that the patent's status be changed to "Large Entity".

In addition, please charge our Deposit Account No. 19-2386 in the amount of \$395.00 for the fees deficiency due in the above patent application, as set forth in the enclosed transmittal letter, the deficiency being the payment for a small entity as opposed to a large entity for filing this application (see below). Under Rule 1.28(c), the deficiency due is based on the fees in effect at the time the deficiency is paid in full.

FEES PAID	PAID SMALL ENTITY	DUE LARGE ENTITY	DIFFERENCE
Basic Filing Fee	\$395.00	\$790.00	\$395.00
TOTAL TO BE CHARGED:			\$395.00

If there is any question concerning this paper, please telephone the undersigned at (408) 453-9200.
